## **Manifesta: Young Women, Feminism, and the Future ...**

Despite major strides forward, the wage gap remains vast; many feminist publications have died; shame around abortion has lingered and '90s-style anti-abortion terrorism has reemerged. Many of the points first raised so bravely in Manifesta remain urgent—namely, why it's still critical for today's young women to focus on gender. This tenth anniversary edition of Manifesta, complete with updated back matter, commentary from the authors, and a provocative new preface, shows why the issues ...
